INVITATION

43rd Int. Ibbenbürener Motorrad-Veteranen-Treffen,
42nd Int. Constant speed run

Dear friends of veterans

the planning for the traditional Ibbenbüren Motorcycle Veterans Meeting Whitsun 2025 is already in full swing. I would like to cordially invite you all to our 4H^d Int. Ibbenbüren Motorcycle Veterans Rally and the 4G^a Int. Constand Speed run for Historic Motorcycles. **The event will take place from 6th to 9th June 2025.**

You can look forward to a pleasant Whitsun festival in Ibbenbüren with the usual but also partly new team as well as familiar friends. For the first time the Automobilclub Münster, who has been supporting us for many years, is part of the organisation team.

You can also download the registration form from our website, fill it out on your computer and print it out. You are welcome to send it scanned and signed to nennung@veteranenrallye.de Bureaucrazy is getting worse and worse: please bring along the liability disclaiming form, in 2 issues, both signed, for each driver, passenger and the owner of the vehicle, to the registration in the tent or send us them in advance by post, imperatively in paper form. **Without the original signatures you cannot get the participation documents.** For all questions concerning the meeting we have set up the e-mail address orga@veteranenrallye.de.

We have again integrated the **short announcement** into the attractive flyer, so that you can find all important information at a glance. However, the flyer cannot replace the complete version of the announcement and, above all, the implementing regulations. However, they can be downloaded from the internet and will be displayed in the entry office during the event. They alone as well as bulletins of the organiser are binding.

Those who register by 10 January 2025 and also pay the entry fee will receive an **early bird discount** of 10 euros. Your security despite early booking: A refund of the entry fee will be made in case of **cancellation before 1st March 2025** and in special exceptional cases, which we reserve the right to determine. In case of non-participation in the Veterans Rally, the entry fee minus a cancellation fee of 20 € will be credited for the year 2025 **if the cancellation is correct.**

For the classes 11 and 12, the inscription period is 3 weeks shorter than for the other classes. That should increase your planning security as the whole of these two classes is limited to 20 participants.

The short period insurance for bikes that have no legal registration documents is no more collected at the technical control centre, but already with the registration. You are also free to pay it already with the inscription fees. Just mention it in the registration form in „Sonstiges“

Due to increasing prices in all fields we had to increase most of the fees -mostly at about 5€- as well. And we regret very much that we had to take Monday breakfast off the program. In 2024 we paid nearly 20 € per person, which we considered too much, thinking that only some of you would like to pay this

www.veteranenrallye.de

price. Please understand that we had no choice. But what we are planning is to sell you rolls in the tent and you get coffee and tea for free. All the rest, including dishes and cutlery, you would have to bring along yourselves, but at least you can have your breakfast in community.

The measures introduced in previous years for an attractive classification will remain in place: There will again be **trophies for the best drivers of the individual regularity tests**. In the regularity race in the stadium, five laps have to be completed, but only three are scored - for example, 1st, 3rd and 4th lap or 2nd, 3rd and 5th lap. The number of laps scored may differ in the different starting groups and will not be published beforehand. **Important:** Each driver is himself responsible for the correct number of laps he is doing. In case of a false number of laps there will be penalties as mentioned in the official programme.

When little ones have to compete with big ones, this is sometimes a problem. This gave rise to the idea of forming a separate class for motorbikes up to 98 cc. This includes all corresponding vehicles built up to 1945 with the exception of the youth class. In order not to have to throw the entire previous class numbering overboard, we have formed the new (special) class 1. The previous class 1 (vehicles built up to 1908 with belt drive and without gearbox) had to be merged with class 2 in the past years due to a lack of participants. The new Class 1 will start after Class 4 and will also receive corresponding starting numbers. This means that these vehicles with weaker engines will reach the finish earlier than if they had started at the very end of the field.

The informal **campfire evening** on Thursday next to the marquee will also take place in 2025. It is intended to give new participants in particular, but also experienced veteran drivers, the opportunity to get to know each other better in a cosy atmosphere.

On Friday evening, the official opening of the veteran rally will take place with a welcome, flag parade and drivers' briefing. The rider briefing will be carried out by our chairman Timo Wahlmeier. Saturday evening, on the other hand, is completely free of events at the request of many participants. Those who arrive later and therefore cannot take part in the drivers' briefing should make a note of this on the registration form. Then there will be no penalty points because of the missing stamp on the boarding card. All award ceremonies will be held on Sunday evening.

Only those who also book the food package are registered co-drivers. In addition to the food and drinks, they will also receive a personalised participant pass, a souvenir gift and our classic car magazine. Of course, we have nothing against other co-drivers – they are by no means 2nd class participants. But unfortunately we cannot afford the luxury of giving away services.

Surely all of you know other classic car enthusiasts who have shown interest in the veterans' rally but have never started here. We have therefore launched the **"Veterans recruit veterans"** campaign in 2017. Anyone who brings a new participant with them will receive an advertising bonus of 25 euros. You can read about the conditions here: www.veteranenrallye.de/download/werbung_neulinge.pdf. If you would like to distribute veterans' rally flyers in your own clubhouse, at events or at trade fairs, please send us an e-mail with the desired number.

For the Veterans Rally and the Automobilclub Ibbenbüren we have our own app for the smartphone. Among other things, participant vehicles and news about the Veterans Rally are presented here. If you are registered as a user, you can receive so-called push messages (similar to WhatsApp) and are thus always up to date. On the "pinboard" in the app, veteran friends can make offers to sell or buy anything related to our beautiful hobby. Simply enter the search term "Veteranenrallye" in the App or Google Store in the next few weeks or scan the QR code on the left.

We wish you a Merry Christmas, a good start to 2025 and look forward to seeing you again at Whitsun in Ibbenbüren.
